FOR IMMEDIATE RELEASE

4 MINNESOTA RESIDENTS INDICTED FOR PCP

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that four Minnesota residents were indicted by a federal grand jury today for possessing with intent to distribute PCP.

Randolph D. Jackson, 28, of Minneapolis, Minn., **Donnie R. Wallace, Jr.**, 26, and **Sheena N. Clark**, 21, both of St. Paul, Minn., and **Sarah J. Haug**, 21, of St. Louis Park, Minn., were charged in an indictment returned by a federal grand jury in Kansas City.

The federal indictment alleges that the co-defendants aided and abetted each other in the possession with intent to distribute 100 grams or more of phencyclidine (PCP) on July 7, 2005.

This case is being prosecuted by Assistant U.S. Attorney Kathleen D. Mahoney. The case was investigated by the Missouri State Highway Patrol and the Drug Enforcement Administration.

Graves cautioned that the charge contained in the indictment is simply an accusation, and not evidence of guilt. Evidence supporting the charge must be presented to a federal trial jury, whose duty is to determine guilt or innocence.
